### Grained Collection

Beautiful and practical woodgrain effect shaker kitchens.

With 10 luxurious colours and a light oak effect, the Grained Collection is a stunning and attainable alternative to painted timber kitchens. The colour palette is designed to work in harmony, so you can mix colours across your kitchen units to reflect your own style.

Add richness to your kitchen design with the curved end posts, or use bi-fold units and contemporary handles to achieve a more modern finish.

#### Door finishes
